Allowable Subject Matter

Claims 1-5, 8-9, 12-17, 19-20, 22-30, 52 and 54 are allowed.

The following is an examiner’s statement of reasons for allowance:

Regarding claims 1 and 19, the prior art fails to teach “receiving buffered data as
a digital video broadcast transmission burst in a time-slicing signal, the buffered data
corresponding to a first portion of an information stream, said digital video broadcast
transmission burst having a duration smaller than the duration of said first portion of
said information stream”, as cited in the claim.

Regarding claim 54, the prior art fails to teach “means for receiving buffered data
as a digital video broadcast transmission burst in a time-slicing signal, the buffered data
corresponding to a first portion of an information stream, said digital video broadcast
transmission burst having a duration smaller than the duration of said first portion of
said information stream”, as cited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
